

Military and Overseas Absentee Voting:

Voting is a constitutional right that American citizens eighteen (18) years and older can freely exercise. The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) covers all active-duty members of the Uniformed Services and their families and US citizens who reside overseas, and assists them in exercising their right to vote. A military or overseas voter is one who has an APO, FPO, or a foreign address. This does NOT include Puerto Rico, Guam, American Samoa, or other American territories as they have USPS addresses.

Choose the option below that best fits your situation:

Option #1: Register to vote and apply for an absentee ballot in one step through the Federal Voter Assistance Program website, www.fvap.gov. This website provides access to the **FWAB**, federal write-in absentee ballot, that can be used in the event you did not receive your ballot.

Citizens may register to vote and request an absentee ballot by filling out the Federal Post Card Application (FPCA) and mailing it to the local election official where they are eligible to vote.

Option #2: Register to vote and apply for an absentee ballot through the State of Utah online voter registration website, <https://secure.utah.gov/voterreg>. Voter address MUST be same as Driver's License address for this to work seamlessly.

- If your driver's license address is not current, please update your address with the Driver's License Division at <https://secure.utah.gov/dlr/>. After updating your address, please allow 24 hours before returning to register to vote online.
- If your address is not current with DLD you may still use the online voter registration system, but you will be required to print the voter form with the correct address, sign it and mail it in.

Once registered to vote the election official sends an absentee ballot to the citizen via their chosen method of delivery. The citizen votes and returns their ballot to their election official by the deadline: no later than 8 pm on Election Day. Always allow ample time to request, receive and return your ballot.

Notify your election official with any changes to your address and contact information.
